

A DIVISION OF BIG EAGLE LP.

PILE DRIVING

Copp's Pile Driving, a division of Big Eagle Services, is a leading provider of pile driving and related services to the oil and gas, construction, and infrastructure industries.

Copp's has grown rapidly through innovative service offerings and industry-leading customer service. Our core service offering is pile driving, primarily used in oil field applications. We also provide all-terrain pile driving services, pre-drilling services, picker services, pipe sales and transportation throughout the entire Western Canadian Sedimentary Basin.
